

Health Insurance Information & Payment Options

Pathways will arrange for each participant to have basic health coverage while they are on the program. **The cost for this insurance is \$1 per day. Therefore we ask that you pay us \$16 to us to cover your health insurance.** Please note that the insurance does not cover any pre-existing conditions and if you have a pre-existing condition you must make sure that your home health care provider will extend their coverage while you are traveling. Pathways will provide this insurance only for the duration of time that you are in Israel on our program. If you are staying beyond the program, then please let us know and we will direct you on how to set up the additional insurance. Please also note that this insurance is health coverage and if you want to take out baggage insurance you will need to do this separately.

The methods of payments are as follows:

- 1. Cash** – You may make this payment when you arrive in Israel.
- 2. Check** – (*U.S. dollars only*) – made payable to “American Friends of Darche Noam.” Cheques can be received on the trip in Israel or mailed to: American Friends of Darche Noam, 226 Smith Street, Woodmere, NY 11598 USA.
- 3. Credit card** - Note: payment by credit card is subject to 3% service charge (please send all credit card information via fax or telephone – email is strongly discouraged). We are not able to accept American Express.
